Those who have ever felt its keen, cutting pains, or witnessed the intense suffering of others, know that Rheumatism is torture, and that it

is rightly called "The King of Pain." All do not sufferalike. Some are suddenly seized with the most exernciating pains, and it seems every muscle and joint in the body was being torn asunder. Others feel only occasional slight pains for weeks or months, when a sudden change in the weather or exposure to damp, chilly winds or night air brings on a fierce attack, lasting for days perhaps, and leaving the patient with a weakened constitution or crippled and deformed for all time.

An acid, polluted condition of the blood is the cause of every form and variety of Rheumatism, Muscular, Articular, Acute, Chronic. Inflammatory and Sciatic, and the blood must be purged and purifical before there is an end to your aches and pains. External applications, Gir use of liniments and plasters, do much toward temporary relief, but such treatment does not reach the real cause or cleanse the diseased blood; but S. S. S., the greatest of all blood purifiers and tonics, does cure Rheu-

matism in all its forms by neutralizing the poisonous acids and building up the weak and sluggish blood. It makes the old sign blood rich, the pain-tortured muscles and joints are relieved, and the system is toned up by the use of this great vegetable remedy.

If you have Rheumatism, write us, and our physicians will furnish without charge any information desired. Book on Rheumatism free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
